Edge Policies:

Instructors

* We do not guarantee instructors. While we attempt to schedule instructors in advance of a new session, we reserve the right to make adjustments to that schedule to best meet the needs of our students. Additionally, circumstances beyond our control may arise which can result in an instructor becoming unavailable and a substitution being made.

Make-Up Policy

* Students may make-up two (2) missed classes **in Open Gym**. Make-ups must be completed within the session that they occurred. Make-ups may not be carried over into a new session.

Refund Policy

*Once the session begins on April 3, 2017, **no refunds or credits will be given.**

Parking Lot Safety

* For the safety of our gymnasts entering the gym, please drive slowly through the parking lot.

* Please do not block the front door or use the handicapped parking spots as a place to drop off or pick up your child. We have Edge members who have handicapped placards that need those parking spots.

* During regular business hour (9am-5pm), please park on the "Edge" side of the fence and refrain from parking on the other side of the fence.

General Rules

* Children and/or parents are not allowed on the floor until your coach calls you out to begin your class.

* Please do not allow your children to sit on the half-wall that surrounds the gym floors.

*There is a \$10 change fee for students wishing to switch classes after the session has begun.

Dress Code

* Children need to wear comfortable play or workout clothes, free from zippers, buttons, or belts, when participating in classes. Some clothing suggestions are leggings, or athletic shorts, with a t-shirt. A tight fitting shirt

is recommended, so that when your child goes upside down, their shirt will not ride up.

Students may not wear jeans, necklaces, or other dangling jewelry in class.

* Children will be barefoot on the floor so no special shoes are required.

* Long hair needs to be pulled back into a ponytail.

* Wearing a leotard is encouraged for girls, but not required.

They will also work on beam skills with a variety of walks and balance holds. On bars, students will continue working on strength skills, including chin hangs, tuck holds/swings, and L-holds/swings. They will also work on basket hangs, tummy rolls, front supports, and casts. Preschool vault skills will include, jumping, punching, running, safe landing position, and arm circles. Preschoolers (age 1 to 4 years) will work on hand-eye and coordination skills using balls, hoops, jump ropes, frisbees, and balloons.
